

RANGA LAKSHMAN SAMPATH KUMAR

Software Developer | Machine Learning Enthusiast

Email: rlsampath2004@gmail.com

Location: Macherla, Andhra Pradesh, India

GitHub: <https://github.com/rlsampath2004>

EDUCATION

QIS College of Engineering and Technology

Bachelor of Technology in Computer Science Engineering

Expected Graduation: 2025

PROJECTS

1. DDoS Attack Classification System

- Machine learning-based system for detecting DDoS attacks
- Technologies: Python, Machine Learning, Scikit-learn

2. Network Anomaly Detection System

- Advanced system for detecting network anomalies
- Technologies: Python, Machine Learning, Network Security

ACHIEVEMENTS

- Solved 100+ problems on LeetCode
- 50 days consistent coding badge on LeetCode
- 500 difficulty rating problems on CodeChef
